12th February 2010

Dear Parents

As you are now aware, we will be beginning our new International Primary Curriculum topic on Toys directly after half-term.

The entry point for the topic is on Wednesday, 24th February. The children will be in school uniform as usual, but we would like them to bring into school their favourite toy.

Please be aware that this is a normal school day and we can not be held responsible for the loss of any small parts or damage to toys, so please help your child to choose sensibly which toy they bring in.

We will be needing pictures of different types of toys and toys for different ages for cutting and sticking activities. If you have any unwanted catalogues containing pictures of toys eg Argos or Mothercare catalogues, we would be grateful if they can be brought into school during the first week after half-term.

Your child will be asking you questions about the toys you used to play with when you were a child, and those that your parents used to play with. If you still have those toys or photographs of them, perhaps you would let the children bring them to school for a short time. If you, or an older member of your family, would be able to come into school and talk to the children about the toys and games you used to play with, please contact your child's teacher.

With thanks
