Dear Parents/Carers

I would like to remind parents that all children should have a pair of headphones in school.

Our ICT suite has 30 computers, our classrooms all have two computers and we have a set of laptops to use in classes.

In order to gain maximum benefit from these resources and the computer programs we use, the children need to use headphones. For hygiene reasons we ask that parents provide their child with their own pair of headphones. We are happy for you to supply these yourselves, or you can purchase them from the PSA shop.

The headphones will need to be named and kept in school for regular use.

Many thanks.
